February 11, 2021

Dear Storm Girl Soccer players and families,

We have been made aware that a person(s) associated with the Summit High School Girls Soccer Team has been diagnosed with COVID-19. The individual(s) were last at practice on Monday, February 8.

The name of the individual(s) is protected by federal law through HIPAA.

Bend-La Pine Schools is assessing the level of exposure and risk and contacting people as appropriate. During this time of contact tracing, we are asking athletes to quarantine at home until the investigation is complete. Attached is some information on how to quarantine for you to review.

If your athlete, or anyone in your home, becomes sick with one or more of the following symptoms between now through February 22, please contact your health care provider for guidance: Fever of 100.4 or more; chills; loss of taste or smell; cough; difficulty breathing; sore throat; headache; congestion/runny nose; nausea; vomiting; diarrhea (3 or more watery stools in 24 hours); muscle aches/pains; and/or fatigue. *Please notify your student's coach and school if your athlete develops symptoms.

Please take the time to review Bend-La Pine Schools [COVID-19 precautions and guidelines](#) to help reduce the risk of infection transmission. More information can be found on the [Oregon Health Authority's COVID-19 pages](#).

We apologize for the inconvenience and more importantly the concern that this may cause.

If you have any questions, please contact the Reno Holler and/or Nurse Pam Orton.

Thank you.

Michael McDonald, Principal

Summit High School

Changing the world, one student at a time...
