

Inter-Agency Land Management Notification

This notice form is meant to improve communication between the various agencies in Central Oregon when specific action is taken to remedy issues associated with camping on public lands. It is intended to provide the jurisdiction where the land is located information prior to actions being implemented so that necessary communications with elected officials or other agency officials can be pro-active. Complete the below information and send out to the affected public agencies prior to any action taken.

Date: October 25, 2021

Property Owner: City of Bend (Right-of Way)

Location of property: Hunnell/Clausen Roads.

Law enforcement jurisdiction for property: City of Bend Police Department

Action to be taken (posting for removal, clean-up, other): Over the next few weeks, City staff will be working with local service providers to prepare Hunnell and Clausen roads for winter weather and continued vehicle access of the roads and sidewalks (City right-of-way). City staff may engage with local individuals to highlight safety issues and provide resources.

Social Service Providers: Explain what actions have been taken to engage services for individuals at the camp and any communication to additional providers (date and names). All Service providers listed on the Principles for Homeless Camps Land Management Agencies in Central Oregon Agreement (Appendix A) will be notified by October 25, 2021.

Details of Site & Decision to Act on Public Property (include planned/anticipated dates of actions): See the below graphic which highlights the necessary passage ways that will need to be cleared and free of debris as soon as possible or by 11/5/21.
