

**ATTENTION:**

The highlighted roads will be crack sealed throughout the summer. It is required that all vehicles, trailers, equipment, etc not be parked on the roadways during the listed dates between the hours of:  
**7 AM to 6 PM.**  
 Failure to comply could result in towing which would be at the property owners expense.

Dates may be subject to change based on progression of the project. Please check the City of Redmond Public Works website for project updates.

There will be full vehicular access during this time, however please be aware of the road crews and make sure the area has been sprayed with the de-tacking solution before driving past the crew.

We are not responsible to damages due to negligence.
